CA-ESF 10: Hazardous Materials

California Environmental Protection Agency (CalEPA)

- NSTR

California Air Resources Board (CARB)

- Portable monitors were deployed in the community of Soda Springs and also at the Donner Trail Elementary School in Truckee on 09/12/22.

Mosquito Fire

- Unhealthy for Sensitive Groups to Unhealthy categories of Air Quality will continue over areas to the north of the fire, including communities in Grass Valley, Forest Hill, and Auburn. Communities to the east of the fire including, Truckee and Tahoe City may see higher concentrations of Unhealthy to Very Unhealthy Air Quality towards the evening and night hours.

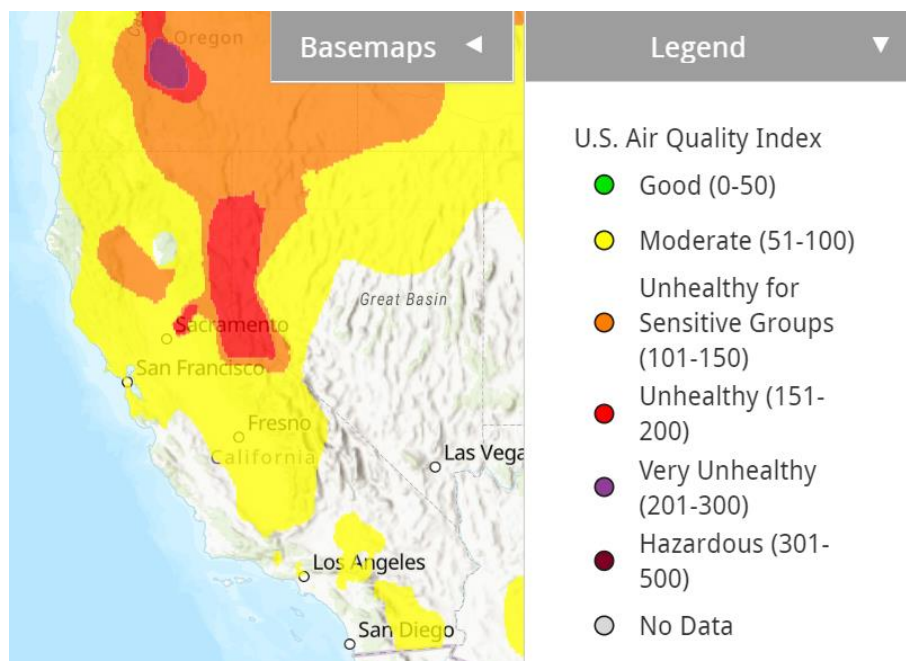

Mill and Mountain Fires

- Air Quality conditions continue to improve today. Smoke from the Mill and Mountain fires will affect surrounding communities including Etna, Yreka, and Holbrook.

Fairview Fire

- Communities around the fire area will experience Good Air Quality throughout the day with minimal smoke impact.

Below is an updated contour map estimating the air quality index for PM2.5.

California Department of Toxic Substances Control (DTSC) - Household Hazardous Waste (HHW) Removal Summary:

DTSC Phase I Operations Update

- DTSC will begin Phase I Operations on the Mill Fire in Weed starting on Tuesday, 09/13/22. The Mill Fire dashboard will be operational prior to initiating Phase I Operations.
- The Mill Fire public dashboard is now operational and indicates 116 impacted parcels.

CA-ESF 15: Public Information

- NSTR

Cal OES Business Operations Center (BOC)

- The BOC received outreach from the Inland Region – Placer County ESC concerning assistance and advise on donations management for Placer County's response to the Mosquito Fire. The BOC has tentatively scheduled a coordination call between Cal OES, California Volunteers and Placer County on Monday 9/12/22.
- The BOC and Inland Region staff held a coordination call between ESF-17 Volunteers and Donations Management partners from Cal OES, California Volunteers, Placer County and the Placer County Community Foundation on Monday, 9/12/22. During the call best practices for in-kind and monetary donations management for response and recovery to the Mosquito fire were discussed.

Office of Access and Functional Needs (OAFN)

Mosquito Fire

- OAFN deployed staff to visit emergency shelters to support local jurisdictions regarding access and functional needs-related considerations associated with the Mosquito Fire.
- OAFN shared information on access and functional needs considerations for use with Non-Congregate Sheltering operations to support local emergency housing plans.
 - Emphasis on the importance of holding accessible (ADA-compliant) hotel rooms for evacuees who need those rooms.

Fairview Fire

- OAFN is working with the CDSS DSB and other partners to ensure access and functional needs are being met as shelters are closed/consolidated.

Mill/Mountain Fire

- OAFN is promoting local partnerships with community-based organizations, disability stakeholders, and service providers to provide situational awareness and determine unmet needs for ongoing disaster preparedness response and recovery efforts.
